Ci75m Wireless Notebook Mouse

Product Number	**72297**
MSRP	**$40.45**

idea: A wireless and wired mouse. You decide.

The sleek, stylish Ci75m is more than just a pretty face. The low profile design saves space on your desk and travels easily. Plus there´s the versatility of power back-up for use in wireless restricted areas and an automatic sleep state for power conservation.

Features and Benefits

- Up to 30% thinner than a standard notebook mouse to eliminate bulk from your travel bag
- Back-up power for wireless or USB powered operation
- Automatic sleep state conserves power and protects the optical sensor
- Sleek, ergonomic design provides comfort and mobility
- Performance Optical Sensor
